Scholarship Application 2008/2009

The Manitoba Foundation for Sports scholarship program administrated by Sport Manitoba was established in 1992 to support young athletes of Sport Manitoba partners, who continue to participate in amateur sport while pursuing a post secondary education on a full time basis. The Foundation has since awarded 880 scholarships totaling \$683,417.

The program's emphasis is placed on athletes who have competed at the provincial level or higher during 2007, and who have maintained a high level of academic standing, while showing a commitment to amateur sport through their involvement in coaching, officiating and volunteer activities. The number of scholarships awarded annually will vary, based on the number of applicants and the funds available for distribution. Preference will be given to athletes attending university or college in Manitoba and enrolled in a related field, pursuing a career in sport.

Scholarships are awarded to graduating high school students entering a post secondary institution and to students in their second or subsequent year in a post secondary institution. Beginning in 2008, the top applicant in each category will be awarded the Manitoba Foundation for Sports Milt Stegall Scholarship.

In recognition of the Winnipeg Blue Bomber receiver's contributions to the community, The Province of Manitoba, Sport Manitoba and the Manitoba Foundation for Sports will provide a scholarship of \$1,000 to a graduating high school student entering a post secondary institution and \$2,000 to a student in their second or subsequent year in a post secondary institution in the name of Stegall, who is the Canadian Football League's all-time leader for touchdowns.

Other scholarship amounts will be dependent on annual funds available for distribution.

Eligibility Criteria:

- a) Applicants must have participated in amateur sport in 2007 as a member of one of Sport Manitoba's recognized sport partners.
- b) Have not received this scholarship more than three times previously.
- c) Be attending university or college as a full time student for the 2008/2009 regular academic sessions.
- d) Have been a resident of Manitoba since April 1, 2007.
