The Manitoba Foundation for Sports Scholarship Program supports young athletes of Sport Manitoba partners who participate in amateur sport while pursuing a post secondary education on a full time basis. The emphasis of the Manitoba Foundation for Sports Scholarships is placed on athletes who have competed at the provincial level or higher in the previous year and who have maintained a high level of academic standing.

Applicants must also demonstrate a commitment to amateur sport through their involvement in coaching, officiating and volunteer activities. Preference is given to students continuing their post secondary studies in Manitoba.

Sport Manitoba is a not for profit organization and the lead planning, programming and funding agency for the development of amateur sport in Manitoba. Sport Manitoba partners with over 100 organizations to deliver sport in our province and is responsible for programs including the Power

Smart Manitoba Games, Coaching Manitoba, Team Manitoba, Manitoba Sports Hall of Fame and Museum and KidSport.
