Recognizing a history of dedication to coaching in Manitoba

PURPOSE

The Coaching Manitoba Impact Awards aim to recognize and celebrate the outstanding achievements and significant contributions coaches have made to their athletes and their sport through coaching. The selection of recipients is based on their unique contribution to sport through the continued development of their athletes. The award does not reflect the accomplishments and contributions of a coach in any one year, rather the awards are designed to acknowledge the contributions a coach has made to his/her sport and athletes over a number of years.

AWARD CATEGORIES

The category refers to the type of athlete the coach is primarily responsible for, with the exception of the School System category, which refers to a coach who is a paid employee of a school.
